

Indirect Tax

GST, India's biggest transformational reform is still evolving. The fast paced changes continue to throw challenges and businesses need to continuously adapt to ensure compliance and avoid tax risk. It is imperative for businesses to maximize benefits at the intersection of GST, Customs and Foreign Trade Policy.

Our comprehensive solutions ensure that you not only meet your compliance obligations efficiently, but also derive maximum benefits from various indirect tax incentives.

“We partnered with Nexdigm (SKP) to help us transition into for what is known as the biggest change in which the business is conducted in the region. The expertise of Nexdigm (SKP) team in the area of taxation is exceptional, with an in-depth knowledge of VAT impact on the business as a whole and their recent experience of driving another complex tax change in India, they helped us steer through the intricacies of VAT implementation.

We are happy with their flexible and partnering approach towards work. They have demonstrated their belief in building long-term relationships and I look forward to work with Nexdigm (SKP).”
